3rd Senate Meeting
October 19, 2015

a. Call to Order: 6:01pm

b. Opening Prayer: JB

c. Roll Call:
   - Present:
   - Absent: Marlene, Zailet, Sam, Connor, Zach, Thomas, Brandon, Gracie, Nia
   - Guest:

d. Approval of Previous Minutes: Approved

e. New Business:
   - Ana Didonato
     - In the past we had Senate who wasn’t happy with administrator rules.
     - Your responsibility is to talk to the student population to find out what policies they want
       changed.
     - You represent the 2,200 on campus and you choose how to use that.
     - Sometimes just have random conversations because you can gain a lot from these.
     - Go out there and serve the people, look for things that will benefit the students.
     - There should never be a time where you don’t meet quorum.
     - I want to see in the future that people are fighting to get on Senate knowing that you are
       the different.
     - Focus on:
       - Empowering each other
       - Reach out to me if you have ideas you want to talk about
       - Support each other and don’t be negative
   - Theta Alpha Kappa
     - Unable to attend
   - Lambda Alpha Epsilon
     - American Criminal Justice Association
     - Promote criminal justice awareness and ensuring students now their rights.
     - Want to attend conferences and facilities to help benefit themselves.
     - Want to help with the crime scene house so it can be used more.
     - Benefits:
       - Scholastic and competition awards.
   - Questions
     - There are two criminal justice clubs but you can do both.
     - Want to be SGU recognized to help broaden the club and build by going to
       conferences and other events.
- Events and socials can be for the entire school.
- $25 Dues to the larger chapter and $10 to our chapter.
  - Amber moves to SGU recognize the American Criminal Justice Association.
  - Discussion
  - Voting: Passed

  - OrgSync - Luckson
    - Rebrand SGU through communication and brace a gap that there has been in the past.
    - We don’t have a dedicated SGU website and OrgSync is a powerhouse in our industry of creating websites.
    - Everything would be centralized and online such as forms and all of our other apps which we currently use like event tickets, checkimhere, and noble hour as well as many others.
    - Will be able to track student involvement.
    - Total 3-year cost would be $72,425.00
    - Would have websites for different departments and some clubs as well as pages for all of the clubs and orgs.
    - This would be good to get now so they can roll this out. Its not being rushed.
    - We are unable to vote now due to quorum so please go on OrgSync.com and look to get a better understanding for next meeting.
    - We want to make sure this is actually being used and not neglected like some of the things we use now.

  Meeting could not be completed due to the loss of quorum.

  - Joe Thompson - Lake Front Beautification
  - SGU polos

f. Committee reports
  - Standing Rules Committee
  - Appropriations Committee
  - Appellate Committee
  - Charity Committee
  - Voting Committee
  - Sergeant at Arms
  - Secretary

g. Next Senate meeting - November 9th 6pm-7pm

h. Open Forum:

i. Adjournment: 7:01pm
