Psychogenic Seizures & Childhood Sexual Abuse

Thursday, July 18, 2024
7 - 8 p.m. (EDT)
Online Webinar

SPEAKER

Melissa Maranville, PhD-c
Founder/CEO Deville & Associates

Melissa Maranville has more than 30 years of experience in criminal justice and psychology.

She consults, develops content, and trains on complex issues such as criminal forensics, forensic analytics, surface/dark webs, bots, AI, cyber predators, child exploitation, and human trafficking. She serves as a subject expert for colleges and law firms.

In addition, she is a consultant on blockchain and cryptocurrency intelligence and an expert on digital footprints, social media platforms, moderator policy and development, and trust and safety.
